MAYBE THE
REASON I WAS

WAS BECAUSE
I DIDN'T EVEN HAVE
THAT.

This is a comic panel. The background is a dark blue, textured surface. On the right side, there is a large, tan-colored, angular object that looks like a piece of machinery or a large rock. Two white speech bubbles are positioned in the upper left area. The first bubble contains the text 'AH...' and the second bubble, located just below and to the right of the first, contains the text 'AHH...'. The overall style is that of a digital comic book.
